Registration Fee of \$145 and Materials Fee of \$180 are due when a student is enrolled and no later than July 1, 2015. Invoices are e-mailed a few days before the end of each month. Tuition payments are due on the first of the month September 1, 2015 through June 1, 2016.

For after school care on other than a regular monthly basis, the school will keep attendance and parents will be billed for actual hours. A snack will be provided to children staying after 3:30pm.

PAYMENT POLICIES: Each family will be billed monthly according to the terms of their specific contract. The Registration and Materials Fees are not refundable because these payments hold a place in the class for your child. **The Registration and Materials Fees are due when your child is accepted.** Payments are due on the first of each month September through June. Payments will be considered late on the 5th of each month and a late fee of \$25.00 will be assessed thereafter. **The same monthly tuition is due each month regardless of the number of days a child has attended school. For instance, in December the school is closed for more than one week. However, the tuition is the same as the months when a child attends every week day in the month.**
